

† CALVARY CHILDREN'S WORSHIP SIGN-UP

PRESBYTERIAN CHURCH

Children's Worship at Calvary seeks to come alongside parents as they teach their children to worship God. Through Children's Worship, kids learn at an age-appropriate level about the various parts of our worship service and are taught see the Bible as one continuous story of a loving Father seeking out, rescuing, and redeeming His children, through use of the *Gospel Story Curriculum*.

Children who choose to attend Children's Worship **will be dismissed during the offering after the plate has passed them and will gather at the back corner of the sanctuary near the sound booth.** The teachers will lead them to the Children's Worship classroom, northeast corner of the building. During class time we will have a Bible story, memorize scripture, and do an activity. We will also alternate weeks between exploring the meaning and purpose of worship and getting to know the missionaries Calvary supports. **The children will rejoin their family before communion.**

We love to see children worshipping with their family. We want them to know they are an integral part of the Body of Christ. At the same time, we realize they need to learn on their level how to worship and to know the God we worship. Our goal is for children to grow to the point they are able to worship through the entire service with their family, and we want to assist parents in reaching this goal.

If you are a first-time visitor, or you have not visited with us in the past six months, please fill out the information below and hand it to one of the Children's Worship leaders when the children line up.

We are currently offering Children's Worship for children 5 years old – 5th grade. Each of the leaders working in our Children's Worship Program has completed a background check and "Ministry Safe" Child Protection Training*.
