

† CALVARY

P R E S B Y T E R I A N C H U R C H

Our objective is to honor the Lord's desire for the gathering of the saints while maintaining safe and healthy guidelines to best love our neighbor.

Chairs will be removed or taped off in the sanctuary to allow 6 ft distancing between households. Ushers will escort worshipers to their seats according to a pre-planned chart.

Sanitizing stations are available at each entrance/exit point.

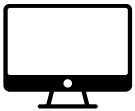

Overflow space will be available to accommodate additional people yet maintain social distancing. A live service video feed will also be available in each space.

Masks are required to be worn while inside the building (except for those serving on stage).

People over the age of 65 or of compromised immunity are encouraged to worship from home during this time.

In-person worship service is at 10:30 AM each weekend in addition to the online worship service at 10:30 AM that will still be available for those choosing to stay home.

Our regular Sunday practices have been altered to provide the safest environment for our folks (communion, offering, coffee, hospitality, dismissal practices, etc).

Our building will be sanitized between before and after each service, and doors will remain open as long as temperature allows.

Children's Ministry is temporarily suspended and children are expected to remain with their parents in the sanctuary. Parents are expected to limit their children from getting within 6 feet of others. A Family Break Room will be open for those who need one.

Please stay home if you have a fever or are feeling symptomatic. Church closure can happen if there is a spike in local infections.
