

† CALVARY

P R E S B Y T E R I A N C H U R C H

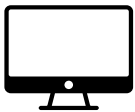

Our objective is to honor the Lord's desire for the gathering of the saints while maintaining safe and healthy guidelines to best love our neighbor.

Masks are strongly encouraged while inside the building (except for those serving on stage.) Elders serving communion will continue wearing masks.

Children's Ministry volunteers will be masked and following all current safety protocols. Children in their care are not required to wear a mask.

In-person worship service is at 10:30 AM each weekend in addition to the online worship service at 10:30 AM for those choosing to stay home.

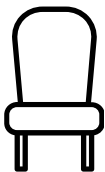

Our regular Sunday practices have been altered to provide the safest environment for our folks (communion, offering, coffee, hospitality, etc).

Sanitizing stations are available at each entrance/exit point.

Our building will be sanitized before each service.

Physical distancing between family groups in the sanctuary continues to be encouraged.

Please stay home if you have a fever or are feeling symptomatic.

Please continue to respect the various opinions and comfort levels regarding masks and physical distancing that exists in our congregation.
